Weona Park recently celebrated its 100th anniversary. Through the years, the citizens of Pen Argyl with support from local businesses and government donated their time, talents and money to see this dream become a reality. From our Historic Carousel to our free Summer Sounds concerts and the Labor Day celebration, there is a great deal of community spirit and pride in our Park.

The Weona Park swimming pool was always a source of this pride. Opening in 1926 and continuously enhanced and improved, it became one of the nicest swimming facilities in the area. In recent times it was reluctantly closed due to the need for extensive repairs to the filtration and infrastructure.

Over the past two years, Pen Argyl Borough Council completed a Master Site Plan and Pool Feasibility Study for the Park. In surveys and focus groups, re-construction of the pool retains a very high level of interest and enthusiasm from the community. Weona Park Pool Pals in cooperation with the **Pen Argyl Athletic and Park Association** is conducting fund raising for this project.

Your contribution, large or small, is greatly appreciated. Donations will be directed to other park improvements if within 10 years this effort does not yield sufficient funds to construct a new aquatic center. Donors will be enthusiastically acknowledged unless they request otherwise.
