From the Borough Council

Hello Pen Argyl,

Warmer days are ahead, and we are all anticipating getting outdoors to enjoy some of our favorite activities such as carnivals, fairs, festivals, concerts and just plain being outdoors.

At Weona Park we offer just that starting towards the end of May with Lookout Fire Co. Spring Festival, Founder's Day which includes hot dogs, drinks, Carousel rides and Mini golf all FREE! Plus, your Borough Council and Park Board members will be serving so be sure to come by and chat with us.

Then the Weona Park Pool Pals Festival on 512 and Touch a Truck in the ballfield that was a hit with the children last year. The proceeds going to the Aquatic Facility and new pool we are working hard to achieve for the good of our community.

On that note, if you haven't noticed yet, work has been completed this winter on the exterior of the bathhouse along with minor work inside. Some of the noticeable changes are the roof, new windows, and doors to name a few. So, check it out next time you're at the park. We continue to apply for grants, fundraise and take donations for this endeavor. Thanks for your continued support!

Not to forget the remaining work on the playground which we hope to complete in the very near future and yes there will be baby swings!

On a more serious note, Borough Council is very mindful of the far-reaching concerns that face our town and all of the Slate Belt.

We are currently devising a Municipal Separate Storm Sewer System (MS4) to control runoff in the 4th Ward, reducing flooding and protecting the area watershed. This important pollution control measure is required by the PA DEP. Coinciding with this project will be improvements to the area around the Green & White ball fields.

A rezoning application in Plainfield Township to continue operating the landfill is something we are monitoring very closely. WM has benefited our community financially and economically through years and supports our first responders. No landfill is without nuisances, and we remain committed to securing quality of life for all our citizens.

Follow us on our Facebook pages Pen Argyl Borough or Weona Park Pool Pals for more information. I, along with all the Council Members, look forward to your feedback and we hope to see you soon.

Respectfully,

Joann Anderson

Reminder of Property Maintenance & Codes

LET'S KEEP THE PRIDE IN PEN ARGYL!!!!

Lack of maintenance of properties, improper storage of trash and rubbish, storage of inoperable/non-registered vehicles, and accumulation of snow and ice are costly problems that contribute to the deterioration of property values and general disorder in a community. These problems degrade the physical appearance of the Borough, which reduces business and tax revenue, inhibiting economic development. The quality of life and community pride of the citizens of Pen Argyl are negatively impacted by the occurrences and existence of these activities. Recognizing these are community problems, the purpose of this article is to promote the health, safety and general welfare of the Borough by helping to create a clean environment for the citizens of Pen Argyl. The most common property maintenance violations in the Borough of Pen Argyl:

Accumulation of rubbish or garbage

High Grass and High Weeds

Inoperable and/or unlicensed motor vehicles

Animal maintenance & waste clean up

Outside placement of indoor/ appliances/furniture

Serving the community for over 100 years!

Slate Belt Rising

Strengthening Our Community, One Project at a Time

Slate Belt Rising (SBR), a program of Community Action Lehigh Valley, is dedicated to enhancing the vitality and prosperity of the Slate Belt region. By leveraging the area's rich heritage, natural beauty, and strategic location near major roadways, SBR is committed to fostering economic growth, reducing poverty, eliminating blight, and enhancing residents' overall quality of life.

At the heart of SBR's mission are several impactful programs designed to support local businesses and homeowners. The Commercial Façade & Business Sign Program helps businesses enhance their storefronts, attracting more customers and improving the visual appeal of commercial areas. Additionally, the Commercial Lease Subsidy Program aims to stimulate entrepreneurship and job creation in the community by paying the rent of new businesses.

SBR also extends its support to homeowners through initiatives like the residential façade program, which assists homeowners in improving the exteriors of their homes, contributing to neighborhood beautification efforts. Other resources are available to help homeowners with home maintenance projects and provide financial education and assistance, empowering them to achieve greater stability and security.

For more information about Slate Belt Rising and its programs, please visit our website at www.slatebeltrising.org. You can also follow our activities on Facebook; search for "Slate Belt Rising" as we participate in the Slate Belt's exciting journey towards a brighter future!
