## A Message from the New Borough Manager

**Hello Pen Argyl Residents,**

I would like to take a moment to introduce myself as the new Borough Manager for Pen Argyl.

I began in this role earlier this year, following the retirement of longtime manager Robin Zmoda. I appreciate the opportunity to serve the Borough and want to thank Robin for her decades of dedication to the community and for her continued support during my transition into the role.

I have spent many years serving the Borough and the greater Slate Belt region through my work in community development and revitalization efforts, as Director of Slate Belt Rising and previously in the State Senate office located in Pen Argyl. I look forward to continuing that service in this role as we work to maintain and improve the services, infrastructure, and quality of life that residents expect.

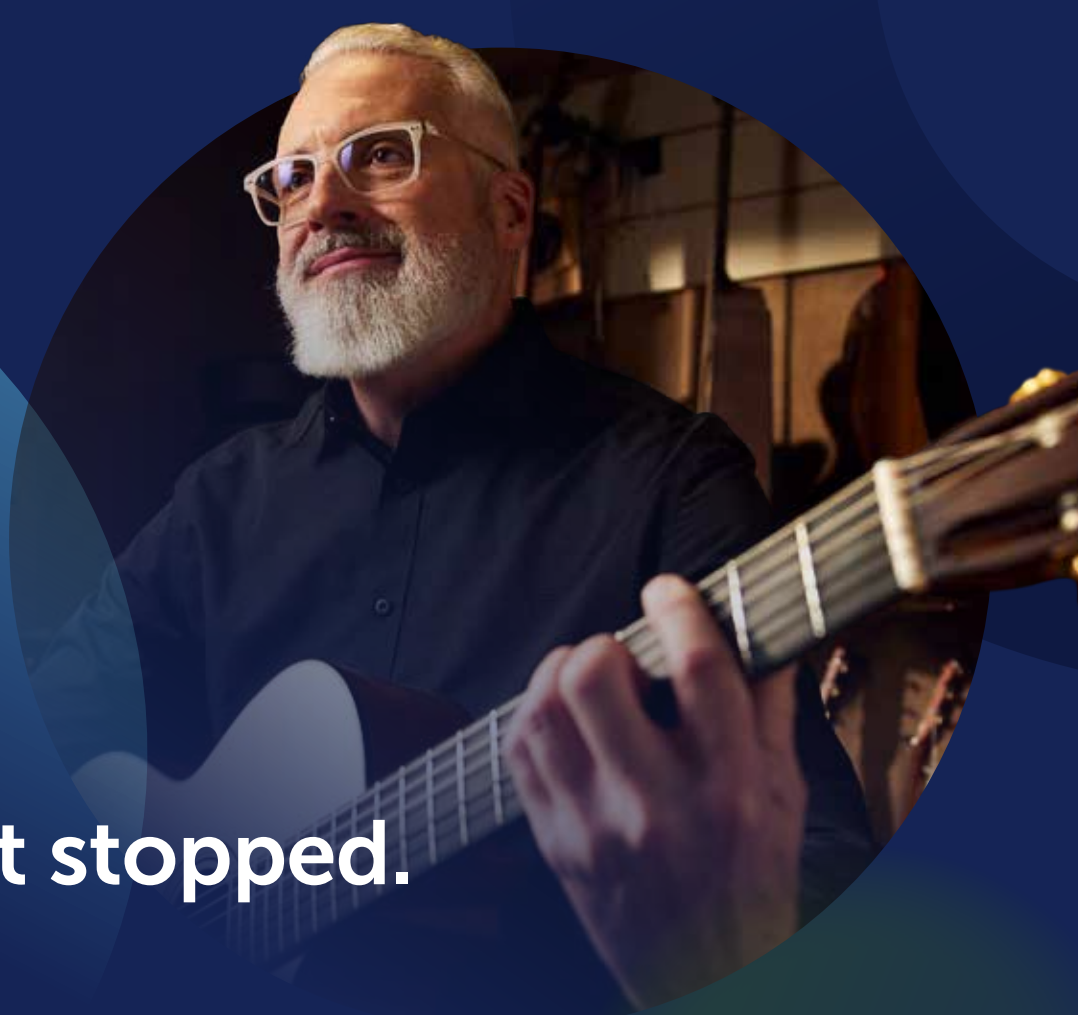

Over the coming months, I hope to meet many of you and continue building strong communication between the Borough and our residents. Please know that Borough staff and I are here to help and are committed to serving the community.

Thank you for the warm welcome I have already received, and I look forward to working together to support the future of Pen Argyl.

Sincerely,  
*Brian Fenstermaker*  
Borough Manager

# Tim's heart stopped. We didn't.

Tim Teel never expected his day to end with a cardiac emergency – or for his heart to stop. Twice. But sudden heart events can strike without warning, and every second matters.

Thanks to our caring, experienced specialists, Tim's back in tune with his health. The experts from Lehigh Valley Health Network, now part of Jefferson Health, encourage you to know the warning signs of a heart attack and trust your instincts. Acting quickly can save a life – just like it did for Tim.

## Stay Connected with the Borough

Residents are encouraged to follow the Borough on Facebook to stay informed about what's happening in the community. This is the most up-to-date source for Borough news, announcements, and event information. We regularly post time-sensitive updates, important notices, and items that may directly impact residents.

 **Follow us on Facebook:** [Facebook.com/PenArgylBorough](https://www.facebook.com/PenArgylBorough)

You can also search for “Pen Argyl Borough” on Facebook to find our page or scan the QR code here:

Residents are also encouraged to visit the Borough website to view the Borough calendar, read news updates, and access helpful information and resources.

*Staying connected through these channels ensures you receive timely information and remain informed about everything happening in Pen Argyl!*

# Pride In Pen Argyl

Thanks to Mayor Male and family, this program is a fan favorite! There is a growth in pride, positivity, and enthusiasm.

***We are a proud community! Let's continue to inspire others!***

The following have been the themes in years past, however these are just optional.

We continue to notice decoration, maintenance, and creativity!

**Welcome to fresh new beginnings!** *"Start where you are. Use what you have and do what you can."*

## 2026 THEMES:

**MAY AND JUNE**

**"The Earth laughs in FLOWERS  
(and all plants)"**

**JULY**

**Red, White, and Blue**

**SEPTEMBER**

**Picturesque  
Porches**

## 2026 Projects & Initiatives

As we move through 2026, the Borough is making steady progress on a number of projects and initiatives aimed at improving infrastructure, enhancing public spaces, and continuing to move Pen Argyl forward. The items below highlight a few of the more significant efforts currently underway, with additional work taking place throughout the community.

### Weona Park Playground Expansion

The expansion of the playground at Weona Park has been completed, bringing new equipment and additional play opportunities for families to enjoy. This is an exciting improvement for the park, and we encourage residents to stop by and see the updated space.

### MS4 Stormwater Management Basin Project

We are also advancing an MS4 Stormwater Management Basin Project located along West Main Street near the Green & White Youth Association. MS4 refers to the Municipal Separate Storm Sewer System program, a state and federally mandated initiative that requires municipalities to better manage stormwater runoff and improve water quality. As rainwater flows over roads, rooftops, and other surfaces, it can carry pollutants into our waterways. This project is designed to capture and treat stormwater at one of the Borough's most significant outfall locations before it enters area waterways.

The project includes the construction of a stormwater infiltration and sedimentation basin, along with new stormwater structures, reinforced concrete piping, an underdrain system, and associated grading, fencing, and erosion control measures. These improvements will help reduce runoff, improve water quality, and address drainage concerns while ensuring compliance with regulatory requirements.

### 2026 Street Paving Project

The 2026 Street Paving Project will improve roadway conditions on portions of West Laurel Avenue, North Heller Avenue, and Walters Avenue. Work will include milling and paving, as well as targeted drainage improvements on East Mountain Avenue. During construction, traffic control measures will be in place, and access to homes will be maintained.

We are proud to continue investing in projects that strengthen our community and enhance quality of life for our residents. We appreciate your patience and support as this work continues throughout the year!

## FREE YARD SALE WEEKENDS In Pen Argyl – 2026

**Mark your calendars!** Each year, Borough Council designates two weekends where yard sale permit fees are waived—making it the perfect time to clean out, set up, and shop around town.

**2026 FREE YARD SALE WEEKENDS:**  
**June 5-7 & September 18-20**

**No permit fee is required during these weekends—just set up and go!**

If you'd like to hold a yard sale at any other time during the year, a \$5 permit and application are required. You can find the application here: <https://penargylborough.com/document/yard-sale-application/>

Take advantage of these weekends to declutter, find great deals, and enjoy a community-wide event throughout the Borough. We look forward to seeing everyone out and about!

# Slate Belt Rising

## Strengthening Our Community, One Project at a Time

Slate Belt Rising (SBR), a program of Community Action Lehigh Valley, is dedicated to enhancing the vitality and prosperity of the Slate Belt region. By leveraging the area's rich heritage, natural beauty, and strategic location near major roadways, SBR is committed to fostering economic growth, reducing poverty, eliminating blight, and enhancing residents' overall quality of life.

At the heart of SBR's mission are several impactful programs designed to support local businesses and homeowners. The Commercial Façade & Business Sign Program helps businesses enhance their storefronts, attracting more customers and improving the visual appeal of commercial areas. Additionally, the Commercial Lease Subsidy Program aims to stimulate entrepreneurship and job creation in the community by paying the rent of new businesses.

SBR also extends its support to homeowners through initiatives like the residential façade program, which assists homeowners in improving the exteriors of their homes, contributing to neighborhood beautification efforts. Other resources are available to help homeowners with home maintenance projects and provide financial education and assistance, empowering them to achieve greater stability and security.

For more information about Slate Belt Rising and its programs, please visit our website at [www.slatebeltrising.org](http://www.slatebeltrising.org). You can also follow our activities on Facebook; search for "Slate Belt Rising" as we participate in the Slate Belt's exciting journey towards a brighter future!

## Reminder of Property Maintenance & Codes

### LET'S KEEP THE PRIDE IN PEN ARGYL!!!!

Lack of maintenance of properties, improper storage of trash and rubbish, storage of inoperable/non-registered vehicles, and accumulation of snow and ice are costly problems that contribute to the deterioration of property values and general disorder in a community. These problems degrade the physical appearance of the Borough, which reduces business and tax revenue, inhibiting economic development. The quality of life and community pride of the citizens of Pen Argyl are negatively impacted by the occurrences and existence of these activities. Recognizing these are community problems, the purpose of this article is to promote the health, safety and general welfare of the Borough by helping to create a clean environment for the citizens of Pen Argyl. The most common property maintenance violations in the Borough of Pen Argyl:

*Accumulation of rubbish or garbage*

*High Grass and High Weeds*

*Inoperable and/or unlicensed motor vehicles*

*Animal maintenance & waste clean up*

*Outside placement of indoor/ appliances/furniture*
